

iQuasar Foundation IT and STEM Scholarship (LO Campus Only)

Dear iQuasar Foundation IT and STEM Scholarship (LO Campus Only) Donor,

Thank you for making this scholarship possible. Because of it, I will be able to achieve my career goals and take care of my family as I grow older. The best part is that I can do this without loans. To be a college student without debt is a sort of happiness that I cannot fully express. I will be taking the next steps in becoming a computer scientist without too much financial worries thanks to the scholarship. Please continue to make a difference in student's lives. Thank you again!

---

Sincerely,

Peter Nguyen
